Ehlanzeni TVET College is your gateway to a brighter future, offering a diverse range of vocational, occupational, and skills training programmes that prepare you for real-world success. Our programmes are designed to equip you with in-demand, scarce skills and hands-on experience in career fields with excellent employment opportunities.

Ehlanzeni TVET College provides a flexible and modern learning experience through its Learning Management System (LMS). This allows you to access your studies anytime, anywhere giving you the freedom to learn at your own pace while staying connected and supported.

All our programmes are nationally accredited by the Quality Council for Trades and Occupations (QCTO), ensuring that your qualification is credible, industry-relevant, and respected across South Africa.

WHY CHOOSE OCCUPATIONAL PROGRAMMES

Ehlanzeni College Occupational Programmes – are accredited qualifications

Industry-aligned – developed with employers and industry experts, so you learn what the workplace needs.

Comprehensive learning experienced – each qualification combines theory, practical training and real workplace experience.

Recognised by employers – QCTO-accredited qualifications are registered on the Occupational Qualifications Sub-Framework and widely recognised as credible and job-focused credentials.

Quality assured – curriculum, assessment and certification are monitored and quality-assured by the QCTO to protect you as a learner.
